Production begins only after written approval and agreed advance.

Quote-led buying keeps every build aligned to the site, service style, and operating budget.

Spaces That Elevate the Banquet Experience

Lipi is a specialised design and precision manufacturing studio crafting bespoke buffet solutions, architectural banquet stations, and custom hospitality furniture.

We combine steam-resistant hybrid engineering with high-precision 3D relief wood carving for 4-star and 5-star hotels, luxury resorts, and grand banquet venues.

In-house production delivers fully customised builds that carry each client's brand — from concept to completion, with craftsmanship and operational reliability.

Four Pillars of Excellence

Vision & Mission

01
Precision Craftsmanship

High-definition 3D relief carving and hand-finished hardwood framing for a striking visual statement.

02
Steam & Waterproof Core

Heavy-duty WPC construction engineered to resist warping, swelling, and steam from hot chafing dishes.

03
Custom Brand Integration

Hotel crests, monograms, and logos precision-carved into centre panels for exclusive identity.

04
Commercial Mobility

Modular interlocking design with heavy-duty lockable castors for rapid ballroom setup and storage.

OUR VISION

To create inspiring, timeless banquet spaces that redefine luxury hospitality dining through innovative engineering and fine craftsmanship.

OUR MISSION

To deliver durable, steam-proof hospitality solutions that bridge aesthetic elegance with commercial-grade functionality.

Beyond the catalogue

Not just catalogue models — built around your brief

Custom design — layouts, carving motifs, and brand crests drawn for your property.
Custom sizing — counters and modules scaled to your floor plan and service flow.
Custom add-ons — heat, sneeze guards, lit niches, tray slides, and brandable panels.
Tops & finishes — granite, quartz, HPL, teak / Indian laurel, and WPC on request.
